Bankole David

Frontend Web Developer

bankydavid12@gmail.com ◇ Open to Remote ◇ Open to Hybrid ◇ LinkedIn ◇ Portfolio

SUMMARY

• Frontend Developer with six months of internship experience, specializing in building responsive, scalable, and high-performing web applications using React, Vite, Next.js, Tailwind CSS, and JavaScript.

• Proficient in state management, reusable component design, and modern frontend workflows, with a strong focus on optimizing UI/UX for accessibility, usability, and cross-device consistency.

• Experienced in collaborating with designers, developers, and stakeholders to deliver maintainable, production-ready code that aligns with business objectives and enhances user engagement.

WORK EXPERIENCE

Frontend Developer Intern   May '24 — Oct '24

Hamzatronics Technologies   Ogun, Nigeria

- Developed and optimized responsive web pages using **HTML, CSS, JavaScript, and Git**, ensuring cross-browser compatibility and mobile-first performance.
- Applied version control best practices with **Git/GitHub** to manage codebases, track changes, and contribute effectively within the team.
- Collaborated with developers and designers to implement **UI/UX improvements** that enhanced user experience and interface consistency.
- Assisted in building and refining real-world projects, gaining practical exposure to **modern development workflows** and industry standards.

SKILLS

Frontend Frameworks & Libraries   React design patterns, State management, Reusable components, Framer Motion, NextJS, ReactJS, Vite

Styling & Design   Tailwind CSS, Responsive design, UI/UX optimization, Accessibility, Figma, CSS, Shadcn/ui, GSAP

Programming Languages   JavaScript, ES6+, TypeScript (basic)

Tools & Technologies   Supabase, Git, Agile workflows

PROJECTS

Olatech Dashboard Link

- A personal finance web app that centralizes expense tracking, wallet management, transaction history, invoice downloads, and recurring payments/subscriptions improving financial visibility and reducing manual bookkeeping for users and teams.

Browser Extensions Manager with Trash Bin Functionality Link

- A web application that allows users to manage browser extensions with ease, featuring installation status, filtering, and a dedicated trash bin for removed extensions improving organization and providing seamless recovery of previously uninstalled tools.

Cheesecake Wonders Landing Page Link

- A fully responsive and visually engaging landing page built to highlight product offerings, capture customer interest, and drive conversions. Designed with clean layouts, intuitive navigation, and optimized user experience principles to ensure accessibility, faster load times, and seamless interaction across devices ultimately enhancing brand presence and improving customer acquisition.

Personal Portfolio Website, Personal Project Link

- Designed and developed a personal portfolio website using Figma for UI/UX design and React for implementation.
- Focused on responsive design, accessibility, and showcasing frontend development skills and projects effectively.

EDUCATION

Bachelor's Degree in Mathematics, Federal University of Agriculture, Abeokuta (FUNAAB)

Sep '21 — Jun '25
Ogun, Nigeria

- Comprehensive foundation in mathematical modeling, probability and statistics, linear algebra, differential equations, and abstract algebra, with practical exposure to programming, algorithms, and computational methods for solving real-world and data-driven problems.

CERTIFICATIONS

JavaScript Algorithms and Data Structures (Beta), freeCodeCamp — Aug '24

The Complete JavaScript Course: From Zero to Expert, Udemy — Jul '24

Git for Beginners, Udemy — Jul '24

VOLUNTEERING AND LEADERSHIP

Volunteer, Jekacode Africa — Ogun, Nigeria

Actively represented the organization at tech events by engaging with attendees, promoting its mission, and onboarding new participants through registrations and outreach contributing to increased visibility, stronger community presence, and growth in membership.

Vice President, National Association of Mathematics Students of Nigeria, FUNAAB Chapter

Ogun, Nigeria
Aug '24 — May '25

Provided leadership and representation for the association by coordinating student programs, supporting academic and professional development initiatives, and fostering collaboration among members strengthening community engagement and enhancing the association's visibility.
